

**4<sup>th</sup> IEEE Lebanon Communications Student Competition 2014 (IEEE LCSC'14)**  
**IEEE Communications Society Lebanon Chapter**  
**Saturday June 21, 2014, AUST, Achrafieh campus.**

IEEE is the world's largest professional association for the advancement of technology (<http://www.ieee.org>). The IEEE Communications Society Lebanon Chapter's mission is to promote the advancement of science, technology, and applications in communications and related disciplines by organizing technical events at the national level (<http://www.comsoc-lebanon.org>).

IEEE Lebanon Communications Student Competition is a competition among senior projects (graduation projects, capstone projects, or final year projects) from different universities in Lebanon on topics that have a communications component including wired and wireless communications, mobile apps, mobile networks, peer to peer and social networks, communications and network security, and related areas.

The First LCSC, IEEE LCSC'11 took place in June 2011 at NDU; it attracted around 100 attendees; it included a plenary talk on entrepreneurship and presentations/demos by 20 competing student projects. The second LCSC, IEEE LCSC'12 took place at AUB in June 2012 and attracted around 150 attendees and more than 30 competing student projects. Last year IEEE LCSC'13 took place at LAU, Byblos Campus in June 2013 and also I was very successful. We received around 150 attendees and more than 30 competing student projects. In all these three years, the winning teams received certificates and valuable prizes. For more details on IEEE LCSC, please check: <http://www.comsoc-lebanon.org/events/lcsc>.

**Participation Information:**

Prospective student groups are invited to submit application forms by Wednesday June 11, 2014. Application forms should be emailed to [ieeecomsoc.lebanon@gmail.com](mailto:ieeecomsoc.lebanon@gmail.com) with a cc to [bachar\\_elhassan@ul.edu.lb](mailto:bachar_elhassan@ul.edu.lb). A committee will review all submitted applications to select the best projects to be presented in the competition.

IEEE LCSC'14 is planned to take place on Saturday June 21, 2014 between 9:00 and 15:00 at AUST, Achrafieh campus. IEEE LCSC'14 program will include 2 plenary speeches by 2 invited speakers about innovation. Each project group will give a five minute presentation about their project main ideas and novel components. Then, all groups will display posters and demos for others to check/discuss and for a committee of experts to evaluate and rank.

At the end of the day, the winning teams will be announced and prizes/certificates will be distributed.

**Contact:**

For any questions about the event, please contact **Dr. Bachar ElHassan** at [bachar\\_elhassan@ul.edu.lb](mailto:bachar_elhassan@ul.edu.lb) or **Dr. Roger Achkar** at [rachkar@aust.edu.lb](mailto:rachkar@aust.edu.lb).
